

Requisition/Vacancy No. 36815BR

Position Title **Project Manager - Portland, OR**

Job Category ENGINEERING - PROJECT / PROGRAM / MANAGEMENT

AECOM Business Line Environment

Office Region USA - West

Office Location US - Portland, OR

Job Description Working at AECOM makes you a member of a global team and an award-winning company. You are supported through a network of connections within your role, your discipline and the regions in which you operate.

With 41,000 people in more than 100 countries, AECOM is a leader in all of the key markets that it serves. Our highly capable team provides a blend of global reach, local knowledge, innovation and technical excellence in delivering solutions that enhance and sustain the world's built, natural and social environments.

AECOM understands the value of our natural environment and the need to minimize impacts from society and industry. As one of the world's leading global consultancies, our 5,000 talented professionals have a long history of providing environmental solutions for clients around the world.

Our Portland, Oregon office is currently seeking applicants for a Project Management opportunity. Qualified applicants will have **5-10 years of strong project management skills**, client interface skills and have a degree in civil, hydraulics, environmental, water resources, mechanical engineering, or fluid mechanics; with relevant experience/interest in one or more of the following areas: general hydraulic and water resources engineering, physical modeling and conceptual design of pumping stations, and other hydraulic structures such as dams and hydroelectric power plant; fisheries engineering; aquatic habitat restoration; water quality modeling; river morphology; stream restoration; and river engineering. Proven skills in design, physical hydraulic and/or numerical modeling, verbal and written communication, project management, and business development must be commensurate with experience.

AECOM employees around the world enjoy a wide range of benefits and competitive compensation package. AECOM is much more than just a place to work. It's a place where you can put your innovative thinking and business skills into high gear and work alongside other highly intelligent and motivated people. It's a place where you can apply your skills to some of the world's most challenging, interesting, and

meaningful projects world wide. It's a place that values the diversity of our areas of practice and our people. It's what makes AECOM a great place to work and grow. Come grow with us! For more information on AECOM, please visit our website at www.aecom.com. AECOM is an Equal Opportunity Employer.
