The certificate shall show Honorary Diplomate status for such an individual.

Section 5.9: Denial of Certification

When certification is not recommended to the Board of Trustees because the applicant does not meet one or more of the requirements set forth in the Bylaws, the applicant will be informed in writing by the Secretary and shall be provided with an explanation of why certification was not recommended. The applicant may request that the Admissions Committee review and further consider the requirements not satisfied. The applicant’s request shall include specific reasons for reconsideration, together with any new supporting documentation that the applicant considers pertinent. The Diplomate shall provide proof of a valid license and PDHs to the Academy upon request. The failure of a Diplomate to fulfill these recertification requirements for the respective recertification period for which the fee and proof are due shall result in the automatic suspension of the individual’s certification and Diplomate status in the Academy.

As part of the annual recertification process, each practicing Diplomate is required to earn a minimum of 20 PDHs in Water Resources Engineering, including two PDHs in ethics every year. All PDHs shall conform to the National Council of Examiners for Engineering and Surveying (NCEES) guidelines for continuing professional development.
Up to 25% of the PDHs (5 of 20 PDH) may be obtained via self-study. All PDHs must be in engineering or professional subjects that are pertinent to the Diplomate’s practice. A Diplomate may obtain two PDHs for serving on an oral examination panel for an Academy examination, up to a maximum of four PDHs per year. The Academy shall issue appropriate certificates to all examination panelists, if requested.

A Diplomate may carry over up to twenty PDHs each year. A PDH is a contact hour of instruction or presentation. One continuing education unit (CEU) consisting of ten contact hours of instruction and presentation equals 10 PDHs in a qualifying continuing education course as defined by criteria of the International Association for Continuing Education and Training.
